The sun, the moon, and the landscape, are what the Sun Moon Lake Hotel offers you as the start to your beautiful holiday.
 To appreciate the beauty Sun Moon Lake, it takes time. In the early morning, the lake is a scene of poetic and floating mist, and by day this deep blue lake is a scenic place to be. At dusk as the sun starts to set, the water waves become something of a thousand beauties, so mesmerizing that one almost forgets whether he is above the waves or in the clouds, losing the track of time as one is immersed in the atmosphere.
 The Sun Moon Lake Hotel is located along the south shore of the Sun Moon Lake. Its elegance and simple exterior gives a subtle hint of the hotel's warm hospitality. In quietness, its leisurely mood blends a dash of gorgeousness, as the Zen atmosphere begins to play out in silence.

Detail Itinerary

【Sun Moon Lake】

The Sun Moon Lake, located in the middle of Taiwan, with an elevation of 748 meters above sea level, is the only natural big lake in Taiwan. The southern part of Lalu Island is shaped like a new moon, and the northern part is shaped like a sun; hence the name Sun Moon Lake.

Scenic resources

The most famous sights around Sun Moon Lake are the Itashao, Lalu Island, the Xuanzang Temple, the Ci-en Pagoda, and the Wenwu Temple and so on. The natural forests bordering these roads are good places for bird watching. There are a lot of

birds that live on the mid-elevation, such as the Grey-cheeked Fulvetta, Grap-throated Minivet, Formosan Yuhina, Gray Tree Pie, Bamboo Partridge, Chinese Bulbul, Muller's Barbet, and the Black Bulbul.

Colonies of Black-crowned Night herons and Egretta garzetta, and birds such as the common kingfisher and the Green-winged Teal can be seen at the Dazhuhu water reservation, situated around the water gate. Besides these birds, fish, insects and wild vegetables are flourishing in the region as well. These are all natural resources of the Sun Moon Lake region.

The Shao Clan is the earliest clan that lived in the Sun Moon Lake region. The Harvest Festival, Sowing Festival and their special handicraft fair every year, as well as their articles have helped to preserve the particular culture of the Sun Moon Lake region.

【Wen Wu Temple】

Wenwu Temple is located at the shoulder of mountain where is on the north of Sun Moon Lake. It was built in 1938. People worried the water of Sun Moon Lake might cover Longfeng Temple and Ihuatang of Shuishotsun, they built Wenwu Temple. The Wenwu Temple is 2 (Longfeng Temple and Ihuatang) in 1. It was rebuilt in 1969. Its gate is face to the north. People pray the Civil Saint of Confucius, the Military Saint of Guangong, and the Established God of two temples at the Wenwu Temple. The temple is popular among students.

【Sun Moon Lake Ci-en Pagoda】

Ci-en Pagoda is located on Sha Ba Lan Mountain near Sun Moon Lake. It was built by Chiang Kai-Shek in memory of his mother in 1971. The construction was very difficult because the materials had to be shipped over the lake and moved up the mountain. The Ci-en Pagoda is 46 meters in height and has become the famous landmark of Sun Moon Lake. Surrounding the tower are beautiful plants and trees and there are stone tables and chairs for visitors to take a rest. The Ci-en Pagoda overlooks Lulu Island and Sun Moon Lake.

Ci-en Pagoda is an octagonal building; the 3 stories at the base are painted in white, while the 9 stories of the main body are painted in golden red. Tourists can appreciate the magnificent scenery of Sun Moon Lake from the Ci-en Pagoda. The tourists track as long as 700 meters lead to the Ci-en Pagoda. Alongside the track are beautiful trees and flowers, which make the track easy and comfortable to walk along.

【Puli】

Puli is at the center of Taiwan. With an elevation between 380~700 meters, Puli is a basin surrounded by rising & falling mountains, hills and farmland. The most famous tourist spots include the Puli Brewery Factory, Guangxing(Guangshing) paper Manufactory, and Chung Tai Chan Monastery; its special products (fine food) are wild rice stems, passion fruit, red sugar canes, rice-noodles, and Shaoxing wine.

【Lukang】

This street is made up of the curved, red-tiled lanes of today's Putou, Yaolin, and Dayou streets. Both sides of the streets are lined with newly renovated old-style shop buildings that feature intensely interesting internal room layouts and old-style exteriors. Here you can feel some of the atmosphere of old Lukang.
