Day 01

Depart from Taipei in the morning. Today we are heading to Qingjing, a mountain village situated at an altitude of 1,748 meters above sea level in central Taiwan, also widely known as the Alps of Taiwan.

The farm was established in 1961 by the Veterans Affairs Council, as place to settle down the demobilized soldiers and their dependents who retreated from the armed forces in the southwestern border of China.

Green Green Grassland is the most popular attraction in the farm, a green field pasture that grazes sheep and cattle, where people may interact up-close with the sheep.

Here you may also watch a horse show in the ranch, enjoy an amazing performance by riders from Kazakhstan with the horses, including horseback archery. (schedule is subject to change)

Tonight we will have a comfortable stay in a B&B, enjoy the peace and quiet in a place that is close to the sky.

Day 02

After a good night sleep, this morning we will have a tour to Hehuanshan Forest Recreation Area. The peaks lie on the boundaries of Nantou County and Hualien County, with a narrow and winding paved road(Provincial Highway 8) along the mountain ridge, that connects the west coast to the east coast.

This area is also a popular hot spot for climbers, botanists and geologists from overseas, to experience the amazing change of the natural environment from the low-elevation to the top.

We will first stop by Wuling, the highest point of Taiwan's Highway System located at an altitude of 3,275 meters above sea level, where you can have a splendid view of the mountain landscapes.

Then we will take a short drive to Mt. Shimen Trail, the easiest hike out of the high altitude Hehuanshan range. From the mountain trail, it only takes about half an hour to reach the peak, the rooftop of this island. Take a deep breath, admire the magnificent creation of the Mother Earth.

After that, we will drive back to Taipei and complete this tour with unforgettable memories.

- ✧ **Qingjing Farm:** Qingjing Farm offers exquisite scenes all four seasons of the year, each with its own unique interest, and just by following your steps you can enjoy them all: Mountain Reflection in Green Lake, 487-Steps Trail, Clouds Covering the Mountain, Green Green Grasslands, Fragrance of Fruit Orchards, Sincere Heart Makes Wishes Come True. Here you can fully savor the sweet tranquility of the high-mountain countryside.
- ✧ **Green Green Grassland:** Known as a "Foggy Eden" far away from the city area in the mountains, Qingjing Farm is great for those who enjoy fresh air, lush forests, acre of flowers along the plains and hillside, and beautiful starry nights. Located in the northern section of Qingjing Farm is Green Green Grassland, which is an open pasture ground for livestock such as sheep and cows to roam and graze freely. Visitors are able to see the animals up close and interact with them.
- ✧ **Wuling:** Located within Hehuanshan National Forest Area, Hehuan Wuling with an altitude of 3,275 meters is the highest point in the Taiwanese highway system.
- ✧ **Hehuanshan:** Hehuanshan is a 3,416-metre-high (11,207 ft) mountain in Central Taiwan. The peak lies on the boundaries of Nantou and Hualien counties and is within the Taroko Gorge National Park. Hehuanshan is a popular destination for the local people of central Taiwan. The 3,421-metre East Peak and 3,422-metre North Peak of Hehuanshan are actually both higher than the main peak. It is snowing in march every year only in that month
The Hehuanshan Road leads up from Puli in central Nantou past Wushe (Ren-ai) and Chingjing Farm up to Wuling. Wuling, at 3,275 metres above sea level, is the highest automobile pass in Taiwan.
- ✧ **Shihmen Mountain:** Mt. Shimen is the easiest hike out of the high altitude Hehuan mountain range. Though it rises 3,237 m above sea level, Mt.
