- ✧ **Longshan Temple:** Taipei is home to many temples. Of these, Longshan (Dragon Mountain) Temple is the oldest and most famous. It is also one of Taiwan's finest examples of temple architecture.
- ✧ **Huaxi Street Night Market:** A Chinese traditional post stands at the entrance of Huaxi Street Night Market. Chinese traditional lamps are hung along the street. There are old, historical restaurants along the street that provide great dishes. For example, the Danzai noodle restaurant, the favorite of Japanese tourists, started its business here. Other great dishes like meat soup and squid soup attract many people. In summer, chopped ice plates and fresh juice are in great demand. In winter, dishes with Chinese medicine attract many visitors.
- ✧ **Din Tai Fung restaurant:** Din Tai Fung is a restaurant originating in Taiwan, specializing in xiaolongbao (steamed dumplings). Outside its native Taiwan, Din Tai Fung also has branches in Australia, Mainland China, Hong Kong, Indonesia, Japan, Macau, Malaysia, the Philippines, Singapore, South Korea, the United States, Thailand and Dubai.
- ✧ **Taipei 101:** Taipei 101 once was the tallest building in the world. The 508-meter structure has 101 floors and is situated at the center of the Hsin Yi District, Taipei City. In the mall, the world-class design and architecture make shopping here a joyful, fashionable activity.
