Assemble at Taipei Main Station at 14:30, where your tour guide will greet you at Exit East 2 of the station's main building.

After a 60-90 min drive, you will arrive in Shifen, a small town prospered during the 1920s because of Taiwan's mining industry. It is also well known for the awarded film director Hou Hsiao-Hsien's masterpiece *Dust in the Wind*, where the famous scenes were shot. The gold mines are now closed, however this town continues to exert an enduring allure that attracts people to visit and dream.

Before the event starts, your tour guide will distribute the lanterns and teach you how to prepare and launch a Sky Lantern.

Write your best messages on the lantern and send your wishes to God for yourself, beloved ones and family. When hundreds of these lanterns fly into the sky and illuminate in the dark, capture the moment with your eyes, pause, reflect and pray. It is going to be a year of blessings.

After the event, assemble at the designated meeting point. We will return to the down town where you may choose to disembark at Raohe Night Market or Taipei Main Station.
